MEDIA ADVISORY

Community Presentation of City of Falls Church Demographics and Needs Assessment Survey Results Thursday, Nov. 30, 2006

FALLS CHURCH, VA. – The City of Falls Church and representatives from the Grier Partnership will offer a public presentation on Thursday, Nov. 30, 2006 to discuss the results of a recent demographics and needs assessment survey of City residents. The presentation will be held at 7 p.m. in the Art Room of the Community Center (223 Little Falls St.).

The City's Housing and Human Services Division contracted with the Grier Partnership to conduct the survey in early 2006 to update City demographic information and to examine the current needs of residents and their satisfaction with City services.

The final report, *The Changing Population of Falls Church, Va. 2001-2006 As Told By the Residents Themselves*, will be presented to City Council on Monday, Nov. 27 before it is presented to the public at large on Nov. 30. The survey includes information on resident demographics, an analysis of trends, and an analysis of population subsets. More than 1,200 persons—equal to more than 25 percent of the City population—participated in the survey.

The final report will be published at www.fallschurchva.gov following the Nov. 27 presentation to City Council. For more information, please call the Housing and Human Services Division at 703-248-5005 (TTY 711).

The City of Falls Church is committed to the letter and spirit of the Americans With Disabilities Act. To request a reasonable accommodation for any type of disability, call 703-248-5005 (TTY 711).
